

ALL I REALLY NEED TO KNOW I LEARNED FROM DEADWOOD

All you really need to know about how to live and what to do and how to be can be learned from the citizens of "Deadwood." Wisdom certainly does not flow from any nobility, but from the fairytales of Deadwood's streets, saloons and bedrooms. These are the things I've learned:

Fortune comes with a price. Greed comes with a price. Sin comes with a price. Power comes with a price. Pride comes with a price. Desire comes with a price. Morality comes with a price. Justice comes with a price. ☞ Comin' out with your fly down might strike the wrong note. ☞ Sometimes the best counter-offer to a counter-offer is to say, "Go fuck yourself." ☞ Take a nap, a bath and have sex with an unfamiliar woman every afternoon. ☞ Let a man go to Hell the way he wants to. ☞ Sometimes, you just have to hit 'em over the head, rob 'em, and throw their bodies in the creek. ☞ Don't play that shit where you make others drag your words out. Declare, or shut the fuck up. ☞ Never trust a man who wouldn't try to steal a little. ☞ In life you have to do a lot of things you don't fucking want to do. Many times, that's what the fuck life is . . . one vile fucking task after another. ☞ It is always even money, your argument will end in a bloodbath. ☞ Sometimes a bloodstain will get you a special rate. ☞ Don't count on anyone to be loyal. ☞ Don't worry about your moods; you generate those yourself and then think of the excuses for having them. ☞ A human being in his last extremity is a bag of shit. ☞ We all have bloody thoughts. ☞ Announcing your plans is a good way to hear god laugh. ☞ You want a donkey's attention, you bring a fucking pole down between his ears. ☞ Always pay for your pussy. ☞ In the morning, in the quiet before we each take up our work, is also a pleasant occasion for such intercourse. ☞ Shit or get off the chamber pot. ☞ There are healing powers in obstinacy and hostile disposition. ☞ The world ends when you're dead. Until then, you got more fucking punishment in store. ☞ Certain facts show in the mug. ☞ Try to be more than just a target for ass-fucking. ☞ Always be thankful when someone brushes your prick. ☞ Don't guarantee what you will never do. ☞ Knowledge is overrated. Diligence is what's required and the service of a willing spirit! ☞ It doesn't take much to get your balls tucked up. ☞ Few choices as there are ours to make, others should stay the fuck out of the process. ☞ When having a digestive crisis, focus on the suppression of its expression. ☞ Every so often, there's a love match. ☞

Everything you need to know is in there somewhere. The Golden Rule and love and basic sanitation. Ecology and politics and equality and sane living.

Take any one of those items and apply it to your family life or your work or government or your world and it holds true and clear and firm. Think what a better world it would be if we all - the whole world - took a nap, had someone give us a bath and then had sex every afternoon.
